MEMORANDUM FOR THE FILE

E-X-T-R-A-C-T

"1. I met with [REDACTED] to consider their proposal to convert three positions at [REDACTED]. They believe that in due course this should improve cover, and they would like to experiment with these three positions with the idea of possibly going much further in the future. I approved with the understanding that they will not divert these three positions to any other purpose without my permission."
